55" 65" 70" 75" 86" 98"

Product Features

▶ 4K UHD Display

The highly accurate interactive panel with 4K Ultra HD resolution provides incredibly stunning visuals and responsive handwriting experience.

4K Ultra HD

▶ Long Service Life

The best-class components guarantee the service life of the screen.

▶ Compatibility

Compatible with Windows, Android, Mac, Chrome.

▶ Smooth and Anti-glare Surface

The super smooth surface provides a natural and fluid writing experience and is protected by impact and scratch resistant, anti-glare glass.

▶ User-friendly Design

Shortcut Keys on two sides enable hassle-free access to the most frequently used tools and simultaneous operation from two presenters.

▶ **Front Interface**

Multiple input/ output ports for HDMI, auto-recognition USB 3.0*3 and Type-C.

▶ **Optional OPS Computer System**

With the inbuilt OPS interface, the unit can be easily upgraded to include an internal computer system. Computer specification is customizable.

▶ **Energy Efficient**

Shift to ECO mode for energy saving and re-wake the screen with a simple touch.

▶ **One Touch Power On/Off and Switch OS**

Turn on/ off the panel or switch the operation system between Windows and Android with a single touch.

▶ **Customizable Mounting Solutions**

You can either mount the screen using the wall mount or on one of mobile stand to accommodate your need.

Powerful Software

100% independent R&D by Donview

DonviewBoard:

1. A powerful suite of whiteboard software
2. 18+ language options
3. Large range of teaching resources
4. Simulation experiments for interactive learning
5. Annotation tools for presentations
6. Available with Windows version and Android version

DonviewBoard for Windows

DonviewBoard for Android

TouchScreenCast:

1. Connect the screen to your network or Wi-Fi to enable wireless connection from mobile devices
2. Display wirelessly from mobile, write on or share files to the screen from anywhere in the room

DonviewShare:

1. Free Android and Apple download
2. Support for windows and Mac devices
3. Easy wireless connection and interactivity
4. Screen mirroring and data sharing
5. Multi-device display solution
